Prime Land with Breathtaking Views

This prime site, situated just below Chaseford Residential Estate, is the perfect location for a development or your dream home. There is a site plan for 23 units, of which three have already been approved. The main entrance is through a registered servitude from Old Howick Road and the three hectares of land is bordered by trees. The property has been well maintained and there is a fully functioning borehole on the property. The views over Pietermaritzburg are breathtaking!
