6 Bedroom House For Sale in Scottburgh Central

GRAND MAJESTIC HOME with BEAUTIFUL OLD WORLD CHARM YET MODERN TWIST, PERCHED on LARGE PROPERTY with PANORAMIC SEAVIEWS, 1 minute to local SCHOOLS! As one walks into this home, a warmth and feeling of history and stories to tell, radiates from this house. It stands out, with its beautiful wooden flooring, as one of the more original houses to be built in Scottburgh. Perched on a higher part of Scottburgh Central, this house gazes over all of Scottburgh below and the uninterrupted ocean views sparkle in the distance. From the attic and from the main bedroom, the views of the property flow down, leading one's mind inward to the vision of prospective rolling lawns and of course loads of potential to build more on the 2023m! This is such an interesting large home that must have been one of the original homes in Scottburgh Central...
